Dear Sponsor,

On behalf of TAMCO Foundation - Embracing Florida's Wounded Heroes, we would like to thank you in advance for your consideration as a sponsor and participant in our upcoming event with The Lakeland Pro Rodeo with whom we have now partnered. This commitment and collaboration will only help bring additional dollars and awareness to our wounded soldiers, which they so much appreciate.

TAMCO Foundation – Embracing Florida's Wounded Heroes, is a non-profit, non-partisan organization which provides direct support to severely wounded service members returning from Iraq and Afghanistan. Our mission is to assist Florida's severely wounded service members and their families. We hope to alleviate hardships and barriers they face transitioning into civilian life. Events like The Lakeland Pro Rodeo help to support programs which provide these heroes with family unity support, emergency financial assistance, and career development. Our program assisted over 300 wounded heroes and families in 2010 alone.

Whether it's sponsoring a wounded soldier's child to go to camp or paying for a family's groceries, our program touches every area of a wounded hero's life in our community and within the state of Florida where we can see, touch and feel the assistance given.

Thank you for taking the time to read this letter. We welcome and look forward to any involvement you may have with our organizations going forward. Our wounded heroes and their families need us now more than ever, and it is public icons like you who bring awareness and recognition to causes like ours. If you have any questions, we can be reached at 813.472.1575.

Sincerely,

  
Jack Thompson  
Founder and CEO

  
Julie Barreda  
Director of Events
